Chairman of the Management Board

Brussels, 28 November 2017

**Welcome to MedTech Europe as Member!**

Dear Sir,

I am pleased to inform you that, following consultation with the MedTech Europe Board of Directors, Cromed's MedTech Europe membership application has been approved, subject to membership ratification at the next Annual General Meeting. From now on you will enjoy all the rights and obligations as a member of our association.

In order to access the member's only section of the MedTech Europe website, you will require a password which can be obtained by completing the online form available on this page ([extranet link](#)). All Cromed employees are entitled to a password, which they can obtain via the same system.

Please find attached information on all the working groups currently active within MedTech Europe. We encourage you to take a look at this list and to contact us with the names of the groups which you or other Technomed employees wish to play an active role in, as well as a copy of your/their CV.

In addition to the various working groups, we also invite your association to join the MedTech Europe National Associations Council (NAC). The NAC is comprised of a senior executive from each member association. Please contact Christopher Breyel [c.breyel@MedTechEurope.org](mailto:c.breyel@MedTechEurope.org) or Jean-Noël Bouillon [j.bouillon@medtecheurope.org](mailto:j.bouillon@medtecheurope.org) to confirm the name of your senior executive / Director General who will become a member of the NAC and participate in the meetings. This person can of course be you.

Finally I would like to take this opportunity to welcome you as a member of our organisation!

Please do not hesitate to contact me should you have any questions.

Kind regards,

**Serge Bernasconi**  
MedTech Europe CEO
